

Make up classes

Make Up Lesson questions. There are 14 questions. Each question reflects a topic we've talked about in class. Choose a question that matches the classes you've missed and find solid answers to them. I would suggest making notes. You will have the opportunity to share your findings with those present on the Wednesday make up class in the Upper Social Hall (at 5:45, before the Edge) on **November 16, 2011, January 11, 2012 or March 14, 2012.**

It is up to you to keep track of the classes you've missed and the topics for those classes. Edge kick off, Adoration, Reconciliation, the video montage, and the End of Year party are dates that do not have topics that can be made up during these sessions. Please see the Edge Calendar for dates and topics
