

**“FAITH, FAMILY AND TRADITION: BUILDING TODAY FOR TOMORROW”**

Campaign Climbs to \$2,802,662  
Cash in Hand: \$1,355,316

## **Challenge Goal Here We Come!**

When we launched our capital campaign, we set as a minimum goal \$2,950,000. This would enable us to complete the most important elements of our strategic plan. We had established some other needs that were also important to us, but reserved these components for what we refer to as a challenge goal, meaning we could aim for these if we were successful enough to secure these first elements. Given the wonderful response that we've had so far, we are confident enough to announce that we're in pursuit of our challenge goal of \$3,600,000!

## **DONOR MATCH OFFERING!**

We have even more good news to share! A small group of committed parishioners has offered to us a further challenge - they will match, on a dollar-for-dollar basis, any gifts received from now until April 5, up to and including \$250,000! This means that for every dollar you pledge, they will also pledge a dollar! If we are fully successful in this effort, we could turn \$250,000 into \$500,000 instantly! What better incentive for all of us who have not already pledged to step forward.
